Members Absent:	Molly Ellis, Tanzeela Aziz, Lanchi Thai, Ryan West, Mona Bates
Meeting was called to order by:	Lisa Weir, Building Principal

Announcements: Stephen Johnston is our new district liaison to replace Martha Meyer. Stephen works with technology as well as an all-support for students and staff.

We had our safety audit through Region 4 on December 9, and we had one of the highest scores across the district. They were unable to get through any exterior door.

SHMOOP: A resource that MHS purchased for all students to practice skills on ACT, PSAT, SAT, AP etc. It is a great resource that students can now access.

Khan Academy: Students linked their College Board accounts to their Khan Academy accounts in order to further practice skills tested on the SAT/PSAT.

New DE Courses: We have new DE Courses for the 23-24 school year: DE Economics, DE Pre Cal, DE Chemistry, DE Earth and Space, and DE Physics. Teachers will be trained over the summer for these courses. On Feb 1, we will have a DC/DE meeting to go over the programs.

Enrollment Projections: Our projection is at 2534. MHS will be down .5 teacher.

Course Selections: Course verification will go out in March and a snippet will be included with that so students can go through those options and change their selections. Counselors will go over to the middle schools to meet with 8th graders to make course selections.

MS → HS Transition Day- Jan 19: Current 8th graders will come to MHS on Jan 19 to tour the campus and learn about MHS. That night, Ms. Weir will also host a campus presentation for incoming 8th grade parents introducing them to MHS as well.
